# DONATE TODAY TO HELP SUPPORT GYMNASTICS AND REACH THOUSANDS OF NEW CUSTOMERS

**Who are we?** Queen City Gymnastics teams are the competitive mens' and women's gymnastics teams housed in the Kids First Sports Center in Cincinnati, Ohio. Queen City Gymnastics Boosters Club is a non-profit (501C-3) organization that encourages the sport of gymnastics and seeks to defray the cost associated with the training of high caliber athletes.

**What are we asking?** We would like you to donate \$50 or more, and in appreciation we will print an advertisement in two 8 X 10, glossy gymnastics programs. In kind donations are also appreciated. Queen City Gymnastics Booster Club will host two huge, prestigious gymnastics meets here in Cincinnati. **The Queen City Classic**, our girls' gymnastics meet, will be held Feb. 24th-26th, 2012 at Kids First in Symmes Township on Kemper Road, and **Winterfest**, our boys' gymnastics meet, will be held Jan 28th-29th, 2012, also at Kids First. The proceeds from **The Queen City Classic**, and **Winterfest** will directly benefit our organization's goal to defray the cost of helping these athletes attend meets.

**How can you help and how will this help your business?** As a sincere thank you for your donation, Sponsors will receive advertisement in accordance with their level of donation. This will grant you exposure to thousands of athletes and their families who will be eating and shopping in your business's neighborhood. Because Queen City Gymnastics Boosters is a non-profit organization (501C-3) and is tax exempt under federal income tax laws, **all contributions made to the club are tax deductible.**

Thank you and we look forward to hearing from you by **December 31st, 2011**
